Soroptimist International of Harrisburg, PA, Inc. Newsletter

MESSAGE FROM PRESIDENT KAY

Greetings Ladies

It is hard to believe this is my second and final year as your President. Where does the time go? I want to thank you for your kind words and support. I will continue to put forth my best efforts! I also encourage you to bring your ideas and thoughts to me or the board so we can better serve you and the club.

Congratulations to our new member Anne Bednar, who was inducted in September. We look forward to her attendance at club meetings and her involvement in our service projects.

It's not too late to attend the Inter-Service Club Thanksgiving luncheon on November 22nd. We have nine members and two Soroptimisters planning to attend. If you're interested in attending call me with your reservation.

I received from Soroptimist International, the Strategic plan for 2010-2011, which has as a Vision, a Mission, Core Values and Strategic Outcomes. I will list the Strategic Outcomes- Program, Membership, Public Awareness, Fundraising and Mission Support. At our October meeting you will be given this as a handout which explains the goals and objectives of Soroptimist International of the Americas for the year. I know that we will achieve some of these goals and objectives.

Remember," that you shouldn't go through life with a catcher's mitt on both hands, because you need to be able to throw some things back."

Hope to see you at the October 26th meeting.

President Kay

I thank all of you who sent me cards and brought me things like apples. I am going to be going through another week of chemo next week. I am glad that I tolerate it well and only have a horrible case of fatigue. I never had a sister but being a Soroptimist sure has brought me many sisters. Thanks for being there.

Helen Swaincott

We will have books at the October Meeting. When doing your cleaning save books for others to enjoy. Happy reading. 😊

WHITE PAPER ABSTRACT: The New Face of Slavery

Soroptimist International of the Americas, working to improve the lives of women and girls in local communities and throughout the world, examines the issue of sex trafficking of women and girls in this white paper. Sex trafficking involves coercion and fraud, with women and girls forced into sex work within their own country or transported to other countries. Poverty is a common bond among nearly all trafficking victims. Sex trafficking involves victims, those who are the suppliers, such as organized crime, as well as the demand side, those who purchase sex acts. In order to end sex trafficking of women and girls, efforts must be made on both the supply side and demand side. This white paper examines the complex issue of trafficking including its effect on victims and society as a whole.

Act Now! United Nations Women

Created on July 2, 2010, the UN Entity for Gender Equality and the Empowerment of Women, known as [UN Women](#), combines the four existing UN entities for women into one higher-level UN organization with both policy and operational functions. The formation of UN Women signals a new era for women's rights and a renewed opportunity for civil society's involvement in ensuring those rights.

For UN Women to realize its potential as a vehicle for gender equality and women's empowerment, an active and effective partnership with civil society—particularly women's organizations—must be established and maintained. As a new entity, UN Women must therefore develop creative and innovative ways to solicit and sustain input from women's organizations.

Act Now!

Email recently appointed Under-Secretary-General for UN Women, [Michelle Bachelet](#), and encourage her to establish new and innovative avenues for forging active and effective partnerships with women's organizations.

Send your email to: harrop@un.org.

Friendship Link

SI Cannock and District Project

Each Soroptimist International club identifies the needs of its community, then establishes specific projects to address these needs. All our projects relate to one or more of the six Programme Focus Areas: Economic and Social Development, Education, Environment, Health, Human Rights and the Status of Women, and International Goodwill and Understanding.

S.I. Cannock supports the Special Needs Adventure Playground in Pye Green Road, Cannock. It is one of very few Adventure Playgrounds designed specifically for children with Special Needs.

The Special Needs Adventure Playground has been running successfully in Cannock,

Staffordshire since June 2003. Complete with outdoors adventure play equipment, including an aerial runway, cycle track with specially adapted bikes, a sand pit (with diggers), a sensory garden, a trampoline, an indoors soft play area, craft room and a multi-sensory room it is the only one of its kind in the Chase and West Midlands areas.

The emphasis for the Special Needs Adventure Playground (SNAP) has to be a safe, secure environment with facilities and equipment designed to engage, interest and stretch children with even the most profound of disabilities. To this end the equipment snap offers has been chosen very carefully to ensure that there is something for every child no matter what the nature or degree of their disability.

SNAP also provides a valuable opportunity for parents to relax safe in the knowledge that their children are in a secure environment where they can play in an unfettered way enjoying to the full their new found freedom. In addition to this parents can also benefit from the support they are able to offer each other. Very often parents in these circumstances can become isolated and feel that they are the only ones with a particular problem. snap gives them the opportunity to discuss and share their problems and experiences with like minded people in a mutually supportive environment.

SNAP also provides a party venue which can be booked for any children's party at reasonable cost at arranged times.

EDITOR'S NOTE

Thanks to everyone who helped in the preparation of this issue of the Soroptigram. Many hands make light work.

The Joy of Unselfish Giving

**Time is not measured
by the years that you live,
But by the deeds that you do
and the joy that you give.
And each day as it comes
brings a chance to each one
to love to the fullest,
leaving nothing undone
that would brighten the life
or lighten the load
of some weary traveler
lost on life's road.
So what does it matter
How long we may live,
if as long as we live
we unselfishly give.**
